BRICOLUX®

▲ Hoebeek-clips - 2,5-3 mm
For perfect, invisible fastening.

Bricolux® cladding - creative and colourful to say the least, high quality at its best ! In solid Redwood or Whitewood. Quick and easy to fit with tongue and groove on all four sides.

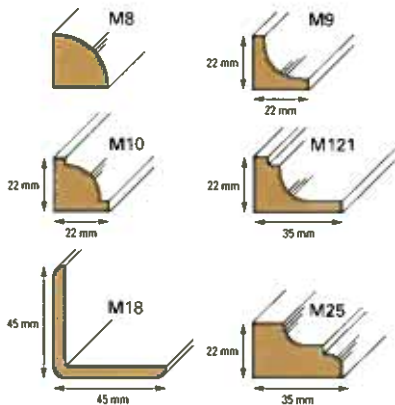

Bricolux® is economical to use and ecologically sound (very little waste !), provides heat and noise insulation and gives a personal, creative touch to your interior.

Bricolux® lacquered is available in the following lengths: 0,85 - 1,15 - 1,45 - 1,75 - 2,05 m. All other Bricolux® colored items in this folder are available in the length of 1,45 m only.

Use Hoebeek-clips (2,5-3 mm) for perfect, invisible fastening and Hoebeek finishing strips for the special 'finishing touch'.
